Showroom Upgrades

## SUMMER REFRESH!

Our show-spaces have had a make-over, keeping up to date with the latest industry trends and enhancing our customer engagement.

### Birmingham

We've incorporated the latest Boss Design products to elevate the space including the versatile Frida work and comfy Beau seating - creating supportive, inclusive working that can adapt to everyday requirements.

### Bridgend

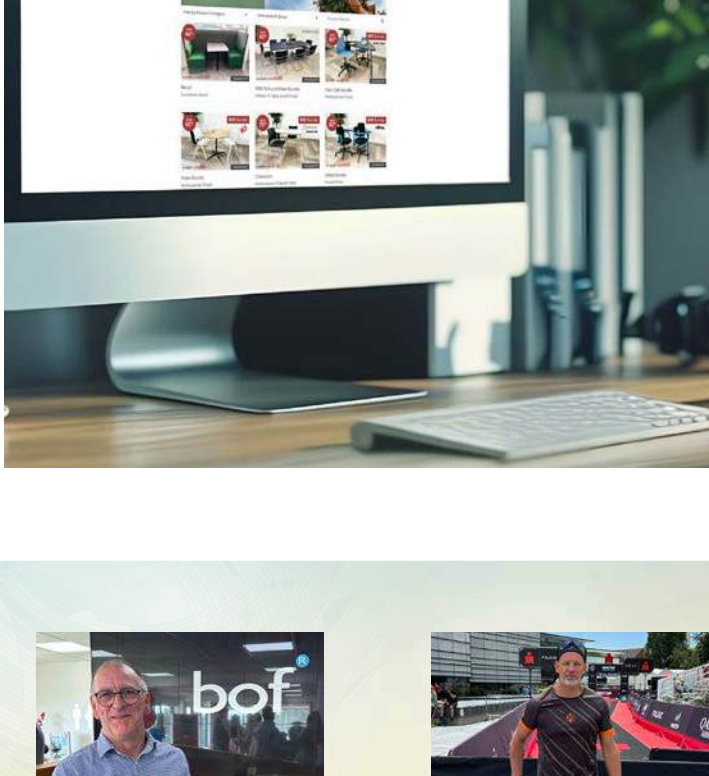

We've launched new Alliance and Senator products which are now on show, including the plush Manhattan, flexible Hicks, and Maxi seating. All are promoted in the BOF Harmony Catalogue and website.
