Industry Engagement

EXHIBITIONS & EVENTS

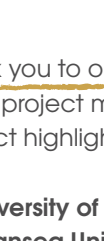

2024 has been a jam-packed year of events for us, we've enjoyed meeting lots of clients, talking to the right people and inspiring them to use our 'Sustainable Workspace' services. Exhibitions include;

Interior Design Fair - De Montfort University
Go Green - Swansea University
Culture in Public Service Conference - University of South Wales
Members Conference - NWUPC
AM2024 Conference - Cardiff University
Procurex - where Mark Drakeford visited our stand
Supply Chain Forum - University of Warwick

Excellent opportunities to further promote our 'Sustainable Workspaces' expertise.

60 PRODUCTS REUSED

“As the project is now reaching its closing stage, I can say that the 'Closing the Loop' is a service that I would be using in the future, and it works. For almost a third of the price, we've managed to bring back this furniture to its 'new' stage.

I would really like to thank the team at BOF for offering this incredible service that works and achieves in its goals.”
