Delivery by a third party courier. Products will require minimal assembly. Instructions will be provided.

---

# Delivery Instructions

Once order is received BOF will confirm the earliest delivery availability

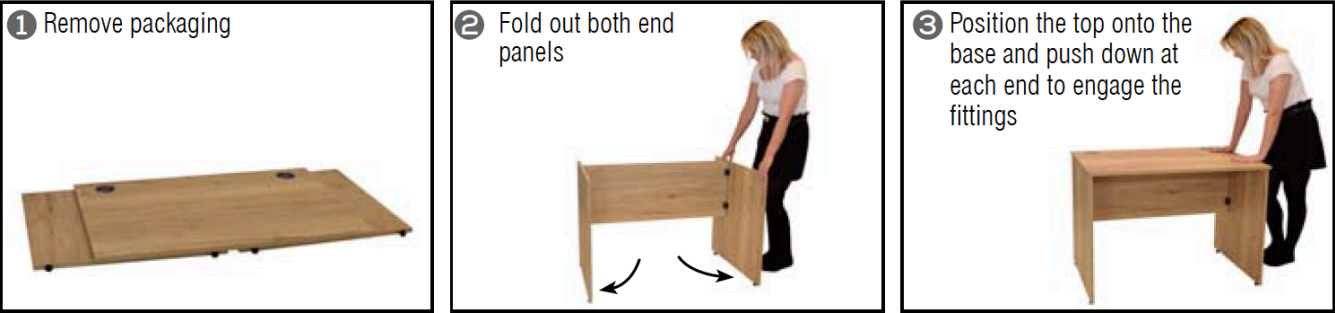

Delivery date/time is subject to:

- Stock and part availability on receipt of clean PO
- Third party freight availability and location
- Deliveries are based on a Monday - Friday schedule
- Weekend delivery is subject to price on application
- Deliveries are to home address door only, and not inclusive of specific product placement or installation
- Products will be delivered to ground floor only
- Delivery applies to Mainland UK only
- Packaging disposal is the responsibility of the recipient
- Goods should be inspected on receipt of delivery. Damages should be reported within 24 hours (with image)
- Home deliveries where goods cannot be received/signed for, could be subject to additional re-delivery charges
- Lead time and quotation to be determined on receipt of addresses provided
- BOF request clear access on-route to property
- BOF are not responsible for the displacement of client property in order to carry out any installation works
- Associated costs may be applicable if a returned visit is required subject to the above restrictions prohibiting installation service.

## ASSEMBLY INSTRUCTIONS

## POP

Pop is a simple, easy to assemble desk that is delivered part built. It requires no tools to assemble, and can be assembled and ready to use in a matter of minutes.

NOTE: Pop is designed as an easy to assemble desk for at home use. It has not been designed for regular daily dismantling. Damage may occur to fittings if the desk is regularly dismantled.
